

**BRUCE SPRINGSTEEN & THE E STREET BAND
GENERAL ADMISSION FRONT STANDING
ENTRY INFORMATION
HOPE ESTATE**

Thank you for Purchasing General Admission Front Standing Ticket(s),
Because of the remote location and our concerns for your safety, if you choose to arrive earlier, we will be having a randomization lottery.

This lottery procedure is only for those who want to be among the first patrons to enter the Front GA standing area. The Front GA is one space, not divided. If you have a ticket for the Front GA standing, **there will be space for you.**

- Wrist band collection from 7am at the main gate of Hope Estate on event day.
- Car Parking opens 1pm. (no early admittance)
- There is no overnight parking/Camping allowed at Hope Estate or surrounding roads.

Any patron in possession of a Front GA ticket may present to the venue between 7am and 2:00pm on event day to receive a lottery wristband. Sequentially numbered wristbands will be distributed beginning from 7am until 2:00 pm.

Patrons will then leave the site to discover the Hunter Valley after receiving a wristband but must return by 1:30 pm. Only one wristband per patron will be issued. In order for a group to enter together, you must all receive your wristbands at the same time.

At 1:30 pm, patrons will begin to line up for the lottery in wristband order. Once the queue is organised, a starting number will be selected. The patron wearing the wristband that matches the starting number will be the first to enter.

Patrons will then enter in sequential order beginning with the selected number until all who have received a wristband before 2:00 pm and are present for this process have entered the site.

Anyone arriving after 2:00 pm in possession of a Front GA ticket will receive a wristband after all patrons presenting for the lottery have entered the site.

There is no overnight parking allowed at the Hope Estate
